PREPARATION FOR DEGREE CLEARANCE

The best way to prepare for student degrees to clear in a timely manner is by performing the following tasks:

STUDENT REVIEW TIMELINE

Ex: When to begin review of students: Student has 90 credits or student is generally two (2) semesters from possible graduation.

COURSE COMPLETION TIMELINE

Is the student able to complete all remaining required courses in the time remaining? Are there unfulfilled prerequisites for remaining courses? Keep in mind, some courses are only offered every two years, or only in certain semesters (SS, FS).

DEGREE CODING

Ensure all additional majors, second degrees, minors, concentrations, and honors are listed. Remove plans the student is no longer intending to complete. Multiple degrees require more than one Student Career Number (CAR).

Career, Program, Plan (CPP) Help Guides

- [Adding a Second Major in a Different Program](#)
- [Changing a Major/Minor - Different Program](#)
- [Changing a Major/Minor - Same Program](#)
- [Changing Subplan \(Plan A/Plan B or Concentration\)](#)

HONORS COLLEGE

Is the student a member of the Honors College (HC)? Does the HC need to be contacted regarding their requirements? If a student is no longer a member, HC has a process to add pre-approved substitutions to the university requirements.

Additional questions or concerns can be directed to the [Honors College](#).

GRADE VERIFICATION

Are final grades submitted in all courses?

Check the students' [course history](#) for [conditional/not final grades](#).

TRANSFER PENDING

Has all transfer work been [posted](#) with final grades? If any transfer courses have TP grades, a final transcript is needed.

TCA SERVICE INDICATOR

Does the student have a [transfer credits adjustment](#) (TCA)?

The TCA service indicator will prevent a degree from conferring. It was put on by the RO when a student attended a 2-year institution and earned more than 60 units.

If you see a TCA service indicator, please contact the Registrar's Office Degree Audit Team at rodegaud@msu.edu.

STUDY ABROAD/ FIELD EXPERIENCE FINALIZED

Have all study abroad and field experience grades been [finalized](#)?

MILESTONES (IF APPLICABLE)

Milestones are degree requirements that are not generally course related (thesis defense, etc).

All milestones on a student's degree audit need to reflect a completed status (green check marks).

APPLICATION TO GRADUATE

Has the student applied to graduate?

If they have not applied but are eligible, students can apply to graduate in Campus Solutions>Academic Progress Tile>Graduation>Apply for Graduation.

CONFERRAL CODES

FINAL DECISIONS

CONF (Confer Degree)

- The degree is ready to be conferred.
- The student has met all degree requirements and the degree audit is complete (green checks and blue hourglasses).
- A blue hourglass assumes that an in-progress course will receive a passing grade.

CFOV (Confer Override)

- CFOV is not intended to override incomplete requirements. Substitutions will need to be made by the college or department.
- Should be used when a student is completing their first degree in one semester and completing another degree in a different semester (includes ADDUs).
- Any student who attended MSU during the quarter system.
- It should only be used in rare cases and requires a comment.
- This will always require a manual conferral from RO.

ACTION INDICATORS

APPLYING THESE CODES INDICATES DEPARTMENT OR COLLEGE NEEDS TO TAKE FURTHER ACTION

MOVE (Grad App Needs to be Moved)

- The dept/college must move the application to another semester ([link to instructions](#)).
- Use this at the dept/college level to indicate the student is not ready to graduate this semester but may be ready to graduate in an upcoming semester.
- Changing the expected graduation term (semester)/graduation application is the responsibility of the department or college advisor.
- If you need assistance or further instructions on moving an application, please reach out to rodegaud@msu.edu

DENY (Graduation Application Denied)

- This should only be used when a student cannot graduate and will need to re-apply.
- Further action will need to be taken by the dept/college to remove the student's application ([link to Instructions](#)).
 - o Example: Student's GPA is too low for them to correct by repeating courses.
 - o Example: Student left the University with no intention to return.
- If you need assistance or further instructions on removing an application, please reach out to rodegaud@msu.edu

REMV (Change to CPP Required)

- Dept/college indicates that something from CPP needs to be removed.
- Dept/college should make the needed change to the CPP and then move on with the conferral process on what remains.

NOTE (Comment Only)

- The advisor is not entering a true graduation decision but has added a comment.
- This should not be used as a final decision.

COURSE GRADE CODES

Bolded codes indicate a barrier to Degree Clearance.

Code	Meaning	Notes
CP	Conditional Pass	Conditional Grade
CR	Credit	
DF	Deferred	Conditional Grade
ET	Extension/Extended	Conditional Grade
I	Incomplete	Conditional Grade
IT	Internal Transfer	
LDR	Late Drop	Not Final Grade
N	No Grade	
NC	No Credit	
NGR	No Grade Reported	Not Final Grade
NS	Not Satisfied	
P	Pass	
S	Satisfactory	
T	Transfer	
TF	Transfer Credit Failed	
TP	Transfer Credit Pending	Not Final Grade
TWV	Transfer Waive	
U	Unfinished Work	
V*	Visitor, Carrier Course	0.0 credits is OK
V**	Visitor, Carrier Course	With credits, is not final
W	Withdrew	
WV	Waived	
WVR	Repeatable Waiver	
X	Education Abroad	
Y	Inter-institution Studies	
Z	Full-Time Enrolled	

*A 0.0 credits indicates that the credits from this course have been redistributed to MSU equivalencies.

** >0.0 credits indicates that the carrier course is awaiting redistribution.

WHY ISN'T THIS STUDENT'S DEGREE CLEARING? (CHECKLIST)

- Is the degree audit (in [Academic Requirements](#)) complete?
 - All green check marks. 
 - No blue hourglasses. 
 - No red X's. 

- Does the student have any credits in progress? (MSU Courses)
 - Yellow diamond. 
 - Do you have a course without a grade/passing grade? ([See Course Grade Codes](#)).

- Are transfer/test credit not posted?
 - If completed, but not posted – degree audit cannot use it.

- Does the student have any transfer credits pending? ([TP](#))

- Does the student have any Study Abroad or Field Experience credit? Has it been finalized?

- Is there a [Transfer Credit Adjust \(TCA\)](#) service indicator?

- Does the student have Confer Over (CFOV) instead of Confer (CONF) as a final decision?
 - When a CFOV code is added as a final decision, the student must be cleared manually by the RO. See definitions in [Conferral Codes](#).

- Does the student have future enrollment for an additional degree?
 - If the student has enrollment for an additional degree, the system will not confer the first degree automatically.
 - Contact the Degree Audit team at the RO (rodegaud@msu.edu).

- Future enrollment for degree being cleared?
 - If student has enrollment pertaining to the degree being cleared, their graduation term (semester) should be moved by an advisor.

- Is the student getting a dual degree in the same semester?
 - If only the first degree is clearing, contact the Degree Audit team at the RO (rodegaud@msu.edu).

HOW TO: NAVIGATE TO THE STUDENT SERVICES CENTER

There are two key ways in navigating to the Student Services Center for a particular student:

STUDENT ADVISING

1. From the Advisors homepage, click the Student Advising tile.

2. You will be brought to the **Student Services Center** page, where you may search for a specific student using various search criteria.

The screenshot shows the "Student Services Center" search page. On the left is a navigation menu with "Undergraduate" (selected), "Graduate", and "Unmet Degree Requirements". The main area has a search bar with a "Find an Existing Value" button. Below it is a "Search Criteria" section with dropdown menus for ID, Campus ID, National ID, Last Name, and First Name, each with a "begins with" dropdown. There is a "Case Sensitive" checkbox. At the bottom are buttons for "Search", "Clear", "Basic Search", and "Save Search Criteria".

- **ID:** APID
- **Campus ID:** NetID
- **National ID:** Social Security Number
- **Last Name:** Last Name
- **First Name:** First Name

3. A successful search will take you to the Student Center for the specified student

The screenshot shows a student's "Student Center" page for "Karin's Student Center". The page has tabs for "General Info", "Admissions", "Transfer Credit", "Academics", "Enances", and "Financial Aid". The "Academics" section is active, showing "This Week's Schedule" with a table of classes and their schedules. There are also sections for "Personal Information", "Contact Information", "Holds", "To Do List", "Milestones", and "Enrollment Dates".

HOW TO: HIDE DEGREE REQUIREMENTS TO CONFER ANOTHER DEGREE

When a student has multiple in-progress degrees on their record, it may be necessary to hide the requirements of one degree in the degree audit so that the other can be conferred.

Ex: Trying to confer a Masters degree while student is also working on a PhD, but PhD requirements are not complete. A conferral decision cannot be entered when there are red checks in the audit. If we 'turn off' the PhD requirements, leaving only green checks on the Masters, a decision can be entered for conferral.
